Solving for the CMO Dilemma

9:40 AM-10:05 AM

Big swings in consumer expectations, influences, and drivers have impacted anyone in the business of relating to people—most especially those in marketing. The modern CMO is grappling with intense pressure to drive growth, meet changing demands for business transformation, keep up with the complexity in the broader marketing space—all while being customer centric in a shifting environment. How do lead marketers stay on top of ever-changing consumer expectations to drive their business?

In this keynote, Esther-Mireya Tejeda, renowned transformation leader, will discuss how to look beyond traditional consumer insights to tap into the why behind human behavior, to keep up with the ever-changing customer and how these insights are at the root of the CMO's unique expertise within the C-suite

Innovate to Elevate: Scaling New Heights in a Sea of Sameness

11:20 AM-11:45 AM

Marketing to today's consumers poses a distinct challenge, with 40% finding it hard to distinguish between brands. This "sea of sameness" demands a sophisticated strategy to set a brand apart, but how can this be accomplished? This keynote session aims to shed light on crucial approaches for marketers looking to enhance their brand's visibility and impact in a saturated market.

FIRESIDE CHAT

Strategies for Omnichannel Excellence and AI-Powered Personalization

11:50 AM-12:25 PM

Every day, consumers engage with a myriad of platforms and channels, leaving digital breadcrumbs in their wake. And while their journeys are more complex than ever, customer expectations around personalization and privacy have increased steadily, with the majority of people now saying they expect companies to understand and anticipate their needs, and to personalize offers and

experiences accordingly. To win the hearts and minds of customers it is imperative to provide them with a seamless, unified experience. AI-based models have the power to meet and exceed those expectations. In this session, three executives will share how they're leveraging AI-based personalization to drive sales, loyalty, customer satisfaction and more

Your Sound: A Key Instrument for Marketplace Success

3:00 PM-3:25 PM

“Your Sound” is a term from jazz music that means having an identifiable voice, style, or perspective. CMOs use an employer’s brand identity to position products and services in the marketplace.

From a company perspective, identifying and developing “Your Sound” showcases a distinctive tone, feeling, and rhythm that clients and customers instantly recognize.

Leveraging Your Sound into a unique value proposition can drive long-term business success in today’s highly competitive and complex environment.

Unlock the Full Potential of Video Across your Entire Customer Journey

3:40 PM-3:55 PM

There’s no debating that video is the engagement king, but most businesses are only scratching the surface when it comes to the possibilities. Video has the potential to be your secret weapon, helping drive major benefits when it comes to efficiency, customer experience and cost-optimization. In this session we’ll touch on a new way of thinking about video’s role in the customer journey, highlighting industry-leading examples of brands who have pushed the envelope and delivered relevant and personalized experiences along the way.

Investing in Creativity: How to Build an In-House Agency that Delivers Real Business Value

In-house creative teams and agencies are on the rise! And it's no surprise when you consider how many companies are looking for greater control, agility, and cost-effectiveness in their marketing efforts. But how can in-house agencies be set up to add real, measurable business value and avoid the common pitfalls of being relegated to being a production studio that simply takes orders or becoming a group of divas focused only on creative awards? Creative professionals and marketing executives alike will gain perspective on establishing and leveraging an in-house agency that has the swagger of an agency and the maturity of a corporate strategist.
