November 12, 2025

5:30 PM-9:00 PM

Central Time

Join us for an evening of connection with thought-provoking topics and open conversation with Google Cloud and Teradata

This relaxed networking event is designed to spark dialogue around your current AI initiatives and future possibilities—no presentations, just real conversations.

Discover how Teradata and Google Cloud are helping enterprises shape the way customer intelligence data is organized to accelerate AI innovation. Connect with peers and thought leaders in a casual, upscale setting.

TOGETHER WITH

teradata.
